

Suggestions and questions from the community, gathered by ACSG at the meeting of 17 August 2020

For ACSG / community	For PKC	Questions
Flood panels on all doors along Commercial Street	Flood gates at Springbank	How do people who cannot afford it pay from property level protection?
Vent guards & valves to block toilets and shower trays	Flood gates at the top of bridge street	Is the Town Hall the resilience centre for Alyth?
Hinges on mesh at bridges – We have fabricators in Alyth who can do this – may we go head?		Why can we not use the Town Hall as the resilience centre during the pandemic when we can use the Church?
Talk/advice on insurance	Field drains at the back of Diamond Jubilee Park	Does Alyth need an emergency generator on site?
Siren – non-electric	Water diverted in to alternative channels	When will the street clean-up be completed?
Map for emergency flood response (in Square)	Re-instating the wooden slats	Why were the wooden slats removed?
Sandbags in the town	Drains unblocked more regularly	What is the likelihood of action before winter?
PKC to work in closer partnership with Boab’s Burnside Brigade		How many people and businesses in Alyth received a Scottish Government grant to install flood prevention measures in their property after the 2015 flood?
Remove pile of rubble/silt behind Anderson Place and Mart Street – we have agricultural and plant machinery operators who can do this – may we go ahead?		May Alyth have a copy of the PKC resilience/emergency planner?
Develop a flood first aid kit – with advice from the Flood Team.		What are the options for the residents who have water flow into their property from PKC owned Diamond Jubilee Park?
Property level protection presentation	Remove all/some of the weirs	
Explore if Alyth can dredge non-PKC owned areas of the burn	Dredge PKC owned areas of the burn	What is the statutory requirement of landowners to remove/tidy flood damaged sections of the burn bed and banks?
	Install water setbacks
